MODERN. NATURAL. RELAXING. SURFSIDE.

Stay in a relaxed coastal style retreat with the informal simplicity of life by the sea. Two spacious bedrooms with luxurious queen beds, private ensuite bathrooms, a comfortable living room, dining area, laundry room and a fully equipped modern kitchen, essential for dining when local restaurants are closed some nights of the week. An expansive covered deck with wicker seating, BBQ, and yard with direct beach access make this your private oasis. Ideal for two couples or colleagues, or a family of 3 or 4. Skyfall Cottage Oceanside Retreat is only a five minutes walk to the friendly village of Daajing Giids (formerly known as Queen Charlotte City). A bottle of Okanagan wine per the guest's varietal preference awaits your arrival as well as homemade sourdough bread and farm eggs for your breakfast. Guests will need to supply transportation to Haida Gwaii and arrange car rental or airport shuttle to Daajing Giids,

We have dates between July 1 and July 7th, 2023 available for the successful auction bidder, or other dates as available and mutually arranged. Additional nights beyond the 3 donated nights can be arranged for \$350 + tax.
